Discussion:
Review of
2025 Funding
CycleBefore proceeding with the discussion, Commissioner Brennan
shared that she submitted a conflict of interest form to Verdant the
previous week. Commissioner Brennan declared she is employed by
the University of Washington and while the university partners with
many community organizations, she is not involved in the decision
making or payment on behalf of her employer.

Ms. Erickson provided an overview of this funding cycle. Verdant received 60 applications and 58 moved forward for commissioner review. The total request for funding amounted to \$10,012,020.00. The budget for 2025 funding is \$6million. The outcomes from the three special meetings for Mental Health, Healthcare Access, and Food Security informed today's discussions. Applications where Commissioners wanted further discussion will be reviewed tonight.

The decisions from tonight's special meeting will be on the agenda for final approval at the Regular Board meeting on November 20, 2024.
