18	Note

What is an Outcome?

Verdant Health Commission requires organizations to report on outcomes throughout the duration of their funded program. Outcomes are measurable goals set and measured throughout the program time period. These outcomes are set during the application process by the program organization.

All Verdant funded programs are required to report on the number of individuals served. Other outcomes may be added and are strongly encouraged (see example below).

Example: Zoe's Pet Palace

For Zoe's Pet Palace, a hypothetical organization specializing in pet care, the outcomes section of their application could look something like the image on page 4.

They have entered their annual goal for the number of individuals served and have included three other outcome metrics and annual goals relating to their program as well.

Example: Zoe's Pet Palace

Total Budget added for Year 1 needs to match the Amount Requested from Verdant for Year 1 field. Please review amounts and revise accordingly.

▼ Outcomes

⚠ Please use the + button below to add outcomes
Outcomes will be finalized annually and the outcomes indicated below should reflect Year 1 only. All grantees are required to report the number of individuals served. Additional outcomes may be added by clicking the + icon. You must hit the + for each outcome you choose to add. While there is no minimum or maximum required, we suggest including at least 2 additional outcomes.

Pages 6 through 17 will walk you through how to input your outcomes into Fluxx so they reflect the image above.

Inputting Outcomes:

Click on the blue “+” icon located in the bottom right-hand corner of the “Outcomes” tab to add an outcome.

The screenshot shows the danthealth.fluxx.io dashboard. The 'Outcomes' tab is active, displaying a table with one outcome: 'Dogs spayed/ neutered at no charge' with an annual goal of 200. A large circular callout highlights the blue '+' icon and the 'Edit' button in the bottom right corner of the Outcomes tab. A red arrow points to the '+' icon, and another red arrow points to the 'Edit' button.

Click on the blue “+” icon located in the bottom right-hand corner of the “Outcomes” tab to add another outcome.

The screenshot shows a web browser window with the URL `danthealth.fluxx.io/dashboard/index`. The page has a sidebar on the left with a tree view. The main content area is divided into several sections:

- Grantee Budgets**: A section with a blue “+” icon in the top right corner. Below it, a message states: “No Grantee Budgets have been added”.
- ▼ Outcomes**: A section with a blue triangle icon and the text: “Please use the + button below to add outcomes”. Below this, there is a form with the following fields:
 - Number of Individuals Served:** A text input field containing the value “200”.
 - Annual Goal ***: A text input field.
 - Outcome**: A section with a blue “+” icon in the top right corner and an “Edit” link below it.
- ▼ Acknowledgment**: A section with several checkboxes and text fields for acknowledgment.

A large circular callout is centered over the “Outcome” section, highlighting the blue “+” icon and the “Edit” button. Two red arrows point to these elements: one from the right side of the page pointing to the “+” icon, and another from the bottom right pointing to the “Edit” button. At the bottom right of the page, there are two buttons: “Close” and “Save and Continue”.
