NOTICE OF RFP CANCELLATION

PROJECT NAME: KRUGER CLINIC MEDICAL BUILDING HVAC SYSTEM REPLACEMENT PROJECT

ORIGINAL POSTING DATE: 9/13/2022 DUE DATE 10/28/2022

Public Hospital District #2, Snohomish County dba Verdant Health Commission ("The District") has canceled the above referenced RFP due to the need for additional technical specifications to support the bidding process.

The District will reissue this RFP upon completion of updated technical drawings of the existing HVAC system.

We appreciate the time vendors have taken to tour the building and work with our project managers, discuss the scope of work and prepare a response to this proposal. We believe that updated drawings will inform prospective bidders in the future RFP process.

No bids have been received by the District as of the date of this posting. If you have further questions please contact the project manager, Jim Forenza at 425-679-0525 or jimf@jshproperties.com

Thank you,

Lisa Edwards-Superintendent-PHD#2, Snohomish County
Verdant Health Commission
