

VERDANT Healthier Community CONFERENCE

Join the Verdant Health Commission and your fellow health, social service, and community providers to learn more about how social and physical environments affect our community's health, identity, connection, safety, and resilience. These topics impact all sectors of our community, and we look forward to delving into the roles they play in South Snohomish County.

- **Thursday, February 21, 2019**
- **8:00–11:30 a.m.**
- **Lynnwood Convention Center**
- **\$49 registration fee**
- **Registration includes a healthy breakfast**
- **Scholarships available**

Keynote & Breakout Sessions

- Breakfast keynote speaker Eric Klinenberg, Professor of Sociology and Director of the Institute for Public Knowledge at New York University
- 3 breakout sessions to choose between that will provide local context and time for discussion

Eric Klinenberg

"The social and physical environment shapes our behavior in ways we've failed to recognize; it helps make us who we are and determines how we live. When it is strong, neighborhoods flourish; when it is neglected, as it has been in recent years, families and individuals must fend for themselves." —Eric Klinenberg
