

2025-2028 Strategic Plan

OUR MISSION

To Improve the Health and Well-being of our Whole Community

To accomplish our mission, Public Hospital District #2, dba Verdant Health Commission, is recognized as a leader of community health services. We are a unique public-private partnership that:

- **Ensures** a full range of acute hospital and outpatient services for residents of South Snohomish County
- **Invests** in programs that enhance the overall health of our community through partnerships
- **Convenes** partners and the community to facilitate ongoing communication and collaboration

OUR OBJECTIVES

The 2025-2028 Strategic Plan was designed to align Verdant resources and activities to effectively achieve our mission.

By 2028 we will have:

- Defined specific, focused collaborative health projects focused on our priorities: Child, Adolescent and Young Adult Mental Health and Access to Direct Healthcare Services
- Empowered community partners to deliver services to the residents of South Snohomish County
- Documented and measured the positive results of our investments

We will know that we have been successful when:

- We will be known for our community investments that advance the health of our whole community.

KEY STEPS TO ACCOMPLISH OUR OBJECTIVES

Direct Services

2025-2026

1. Begin planning to discontinue internal nutrition classes and case management services offered by Verdant to be completed no later than 3/31/25

Community Investments

2025-2026

1. Continue once a year funding application cycle that begins in June 2025 for January – December 2026 investments
2. Refine our priorities to Child, Adolescent and Young Adult Mental Health and Access to Direct Healthcare Services
3. Identify community needs and contract directly with agencies that specifically address those needs.

2026-2028

1. Annually review, affirm and fund our priorities for 2027-2029 funding cycles
