Call to Order

The Regular Meeting of the Board of Commissioners of Public Hospital District No. 2, Snohomish County, was called to order at 8:02 a.m. by President Knowles.

Approval of Minutes

Motion was made, seconded and passed unanimously to approve the minutes of the regular board meeting on February 26, 2020.

Motion was made, seconded and passed unanimously to approve the minutes of the special board meeting on March 18, 2020.

**Superintendent/
Marketing Report**

Ms. Piplic reported on the following items:
1. The COVID-19 response to funding for the areas of food and mental health has had one request from the Foundation for Edmonds School District for meals and Ms. Piplic has had conversations with 13 other partners. Three of the 13 are food banks with both the Mountlake Terrace and the

Lynnwood food banks either closed or operating at a lower level due to other health issues so some clients are being referred to the Edmonds Food Bank from the two others. Other partners in conversations include Homage, Edmonds Senior Center, Korean Women's Association, ChildStrive. Some partners have technology needs for a web-based interface including laptops for staff and clients. Ms. Piplic will consult with Mr. Berg on this need.

Commissioners discussed what other services Verdant can provide to help the food banks and the respective cities were mentioned as a source of help as well as Food Lifeline and NW Harvest. Ms. Waldin will connect with the three food banks about these sources.

2. Ms. Sarah Zabel of Swedish Edmonds contacted Ms. Piplic about the potential build-out of the hospital's 2nd floor above the Emergency Department as a potential ICU for COVID-19 patients. The hospital currently has 13 ICU beds with 14 in use now and 12 are on ventilators. This build-out concept would add 64 beds in two pods, take 3 to 4 weeks to construct, and cost approximately \$12 million.

Commissioners discussed their appetite for funding some of the cost of the build-out and 4 of the 5 commissioners agree that Verdant should consider helping with funding. Staffing is an issue the hospital is working on and the final decision on the build-out will be made in the coming week. President Knowles asked Ms. Piplic to let Swedish Edmonds know Verdant's interest and to bring a proposal to the board. A special board meeting may need to be called to move the proposal forward.

3. The Canopy is coming in late Spring 2020 but President Knowles commented that that publication is not a priority at this time.
4. Verdant received a public records request from Open The Books for staff salaries in 2019. Mr. Berg provided guidance to staff and Ms. Hunt has fulfilled the request.

5. An HR audit kickoff meeting with All Things HR is scheduled via video conference for Thursday, March 26, 2020.

Executive Committee Report

The committee met on March 18, 2020 to review the agenda for the March 25, 2020 board meeting. No action was taken.

Commissioners discussed potential shelter needs for people getting out of the hospital and/or vulnerable individuals needing shelter. Ms. Budd informed the board that there is a need for care coordination for respite care and in-patient residential housing.

President Knowles asked Ms. Piplic to inform partners that Verdant is willing to step in if needed.

President Knowles introduced the Swedish Financial Assistance - Charity Care policy revision which includes "Times of Emergency: Financial assistance may be available at SHS's discretion in times of a national or state emergency, independent of assistance for catastrophic expenses." (E:22:20)

Motion was made, seconded and passed unanimously to approve the amended charity care policy.

Finance Committee Report

Commissioner Langer stated that the committee met on March 19, 2020. Ms. Ash reviewed the financial statements and cash activity for February 2020 (E:23:20 and E:24:20). Ms. Ash commented that the Finance Committee will track all COVID-19 spending for reporting to the board. She is working with Mr. Berg on the leasehold excise tax audit findings on Healthcare Realty for the past four years.

Authorization for Payment of Vouchers & Payroll

Warrant Numbers 14125 through 14184 for February 2020 for payment in the amount of \$127,954.41 were presented for approval (E:25:20) by Commissioner Langer. **Motion was made, seconded and passed unanimously to approve.**

Approve Purchasing & Expenditure Policy Revision

Motion was made, seconded and passed unanimously to approve Verdant's Purchasing and Expenditure Policy to designate 10 percent of annual program expenditure for the Superintendent Discretionary Fund during the fiscal year ending December 31, 2020; formerly at 5 percent (Exhibit 26:20).

Program Committee Update

The Program Committee met on March 19, 2020 and reviewed two renewal requests (E:27:20). Commissioner Distelhorst asked if there were any known or perceived conflicts of interest and none were reported by the commissioners.

Program Investment Recommendations

Ms. Piplic presented the applications and Commissioner Distelhorst presented the program committee recommendations.

Commissioners discussed the sustainability of the Move 60! program with Verdant as the sole funder and the request to have published data from the past 9 years of the program.

Motion was made, seconded and passed unanimously to approve the Edmonds School District Move 60! Program in the amount of \$814,179 for Year 1, \$838,605 for Year 2, and Year 3 is contingent on \$50,000 contributed from another source to total \$813,763 from Verdant. If no cash funding of \$50,000 is received by the Edmonds School District, no funding from Verdant will occur in Year 3.

Motion was made, seconded and passed unanimously to approve \$12,000 on a one-basis for the Foundation for Edmonds School District Back to School Health and Resource Fair in August, 2020.

Ms. Piplic commented that the staff is currently reviewing programs affected by COVID-19 over the next several months and will amend contracts as needed on a case-by-case basis.
